2021 Soccer Programs

New Haven Youth Soccer committed to providing the best opportunities for all ages to learn and play soccer through our recreational soccer program. Our goal is to create and offer a Fun and positive soccer experience to all players in the City of New Haven. As such, New Haven Youth Soccer is pleased to offer a soccer program for kids born between 2007-2018. That said, if you have a child and live in New Haven, we have a home for you.

Our team worked hard to partner with the City of New Haven to provide a place for the kids of New Haven to participate in a fun group activity at least twice a week. We have relocated most programming to East Shore Park and will continue to work to make soccer an affordable option for families who want to find an encouraging place for their children to play.

Please pass this information on to anyone you feel would be interested in joining.

1) As of right now, boys will practice Wednesday evenings at East Shore Park and girls will practice Thursday evenings at East Shore Park. Home games will also be played at East Shore Park. We have one practice scheduled per week, however some coaches may elect to practice an additional day.

2) We revamped the payment plan to allow for \$50.00 a month, once a month, going until March. This should help families who may need to spread things out.
